Beholder of Supreme Power. The Omnipotent, The Nigh-Omnipotent. Created three of lesser power namely: Psyche, Order; and, Might. The three descendants create flow to anything & everything existing and what cease to exist.

The Eleven Fiats of Phala Agemo

- 1. Do not give opinions or advice unless you are asked.*
- 2. Do not tell your troubles to others unless you are sure they want to hear them.*
- 3. When in another's lair, show them respect or else do not go there.*
- 4. If a guest in your lair annoys you, treat them cruelly and without mercy.*
- 5. Do not make sexual advances unless you are given the mating signal.*
- 6. Do not take that which does not belong to you unless it is a burden to the other person and it cries out to be relieved.*
- 7. Acknowledge the power of magic if you have employed it successfully to obtain your desires. If you deny the power of magic after having called upon it with success, you will lose all you have obtained.*
- 8. Do not complain about anything to which you need not subject yourself.*
- 9. Do not harm children.*
- 10. Do not kill non-human animals unless you are attacked or for your food.*
- 11. When walking in open territory, bother no one. If someone bothers you, ask them to stop. If he does not stop, destroy them.*

ORDER

Controls Balance

Order, also named as Ulbalu, is the overseer of the multiple planes. Became strict in the order and balance after Psyche and Might was revoked of their powers.

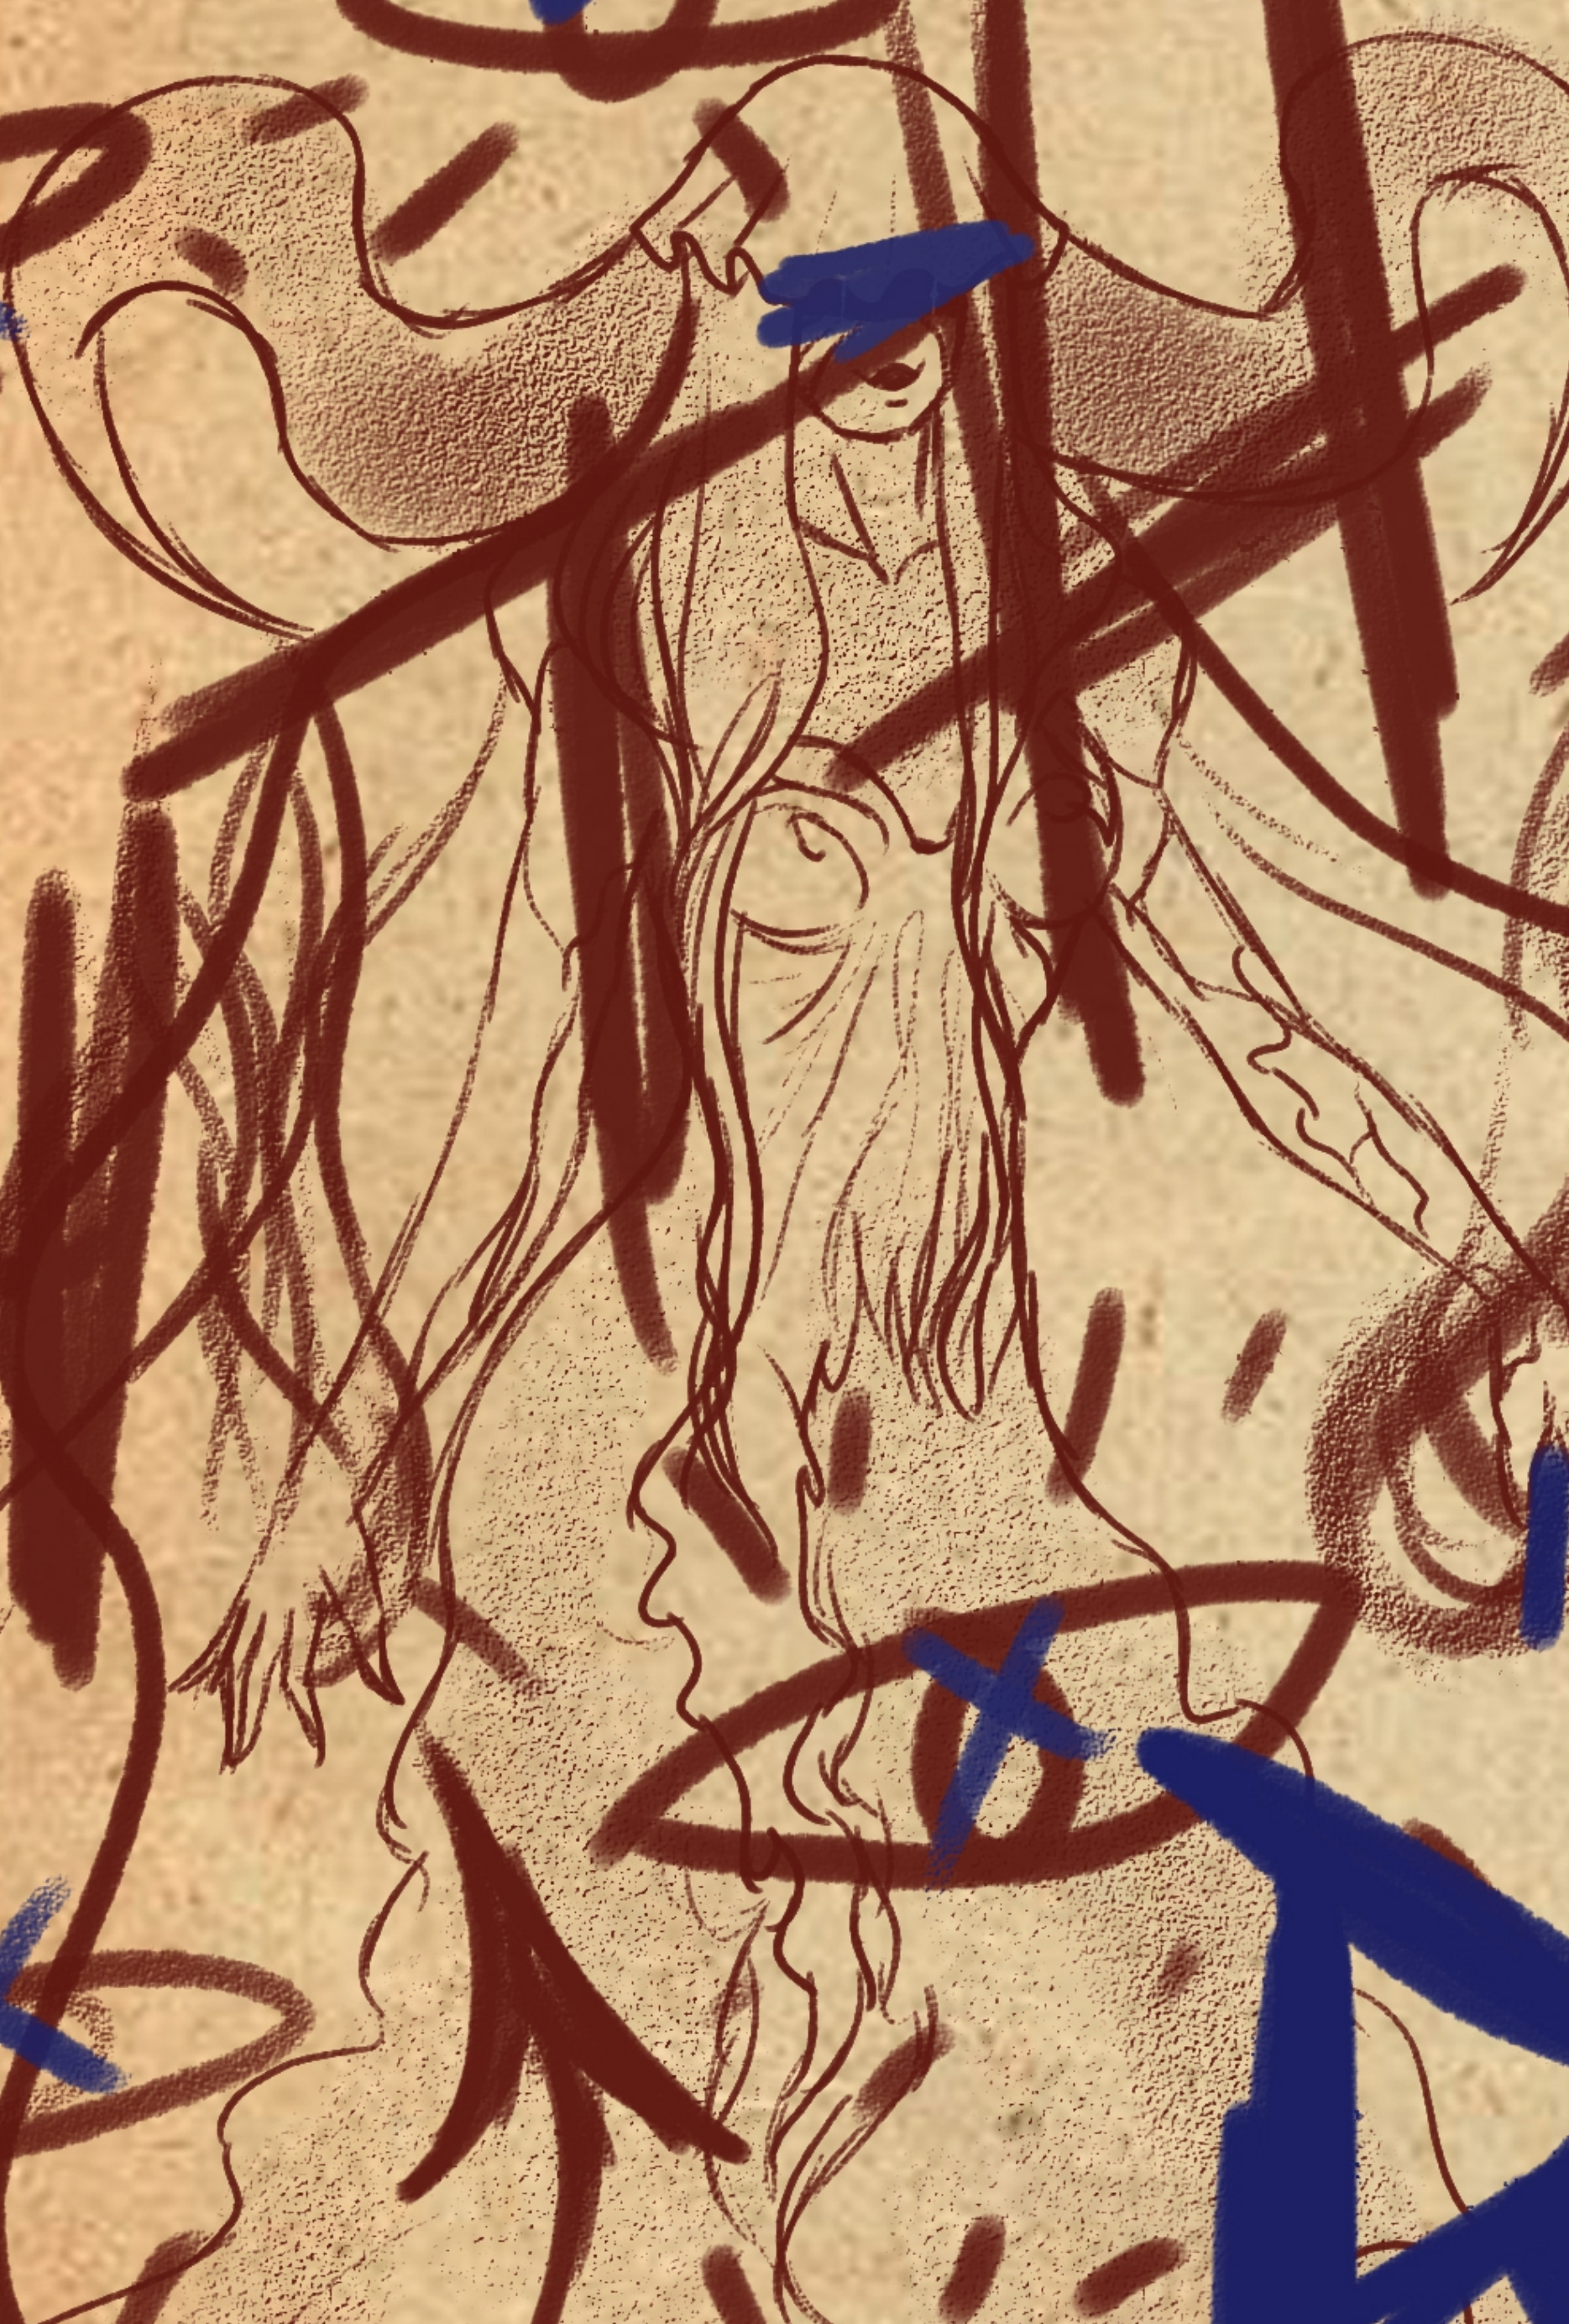

Order created Will out of its own flesh and also created many after Phala Ageno created Emovere milleniums later. Through Emovere, numerous children were made and guided selected features to have emotion. Thus, brings colors to those worlds.

As balance is taken care of strictly, Order keeps a sharp eye on the Fates: Repentance, Revenge, and Karma.

**AVOID
EYES!**

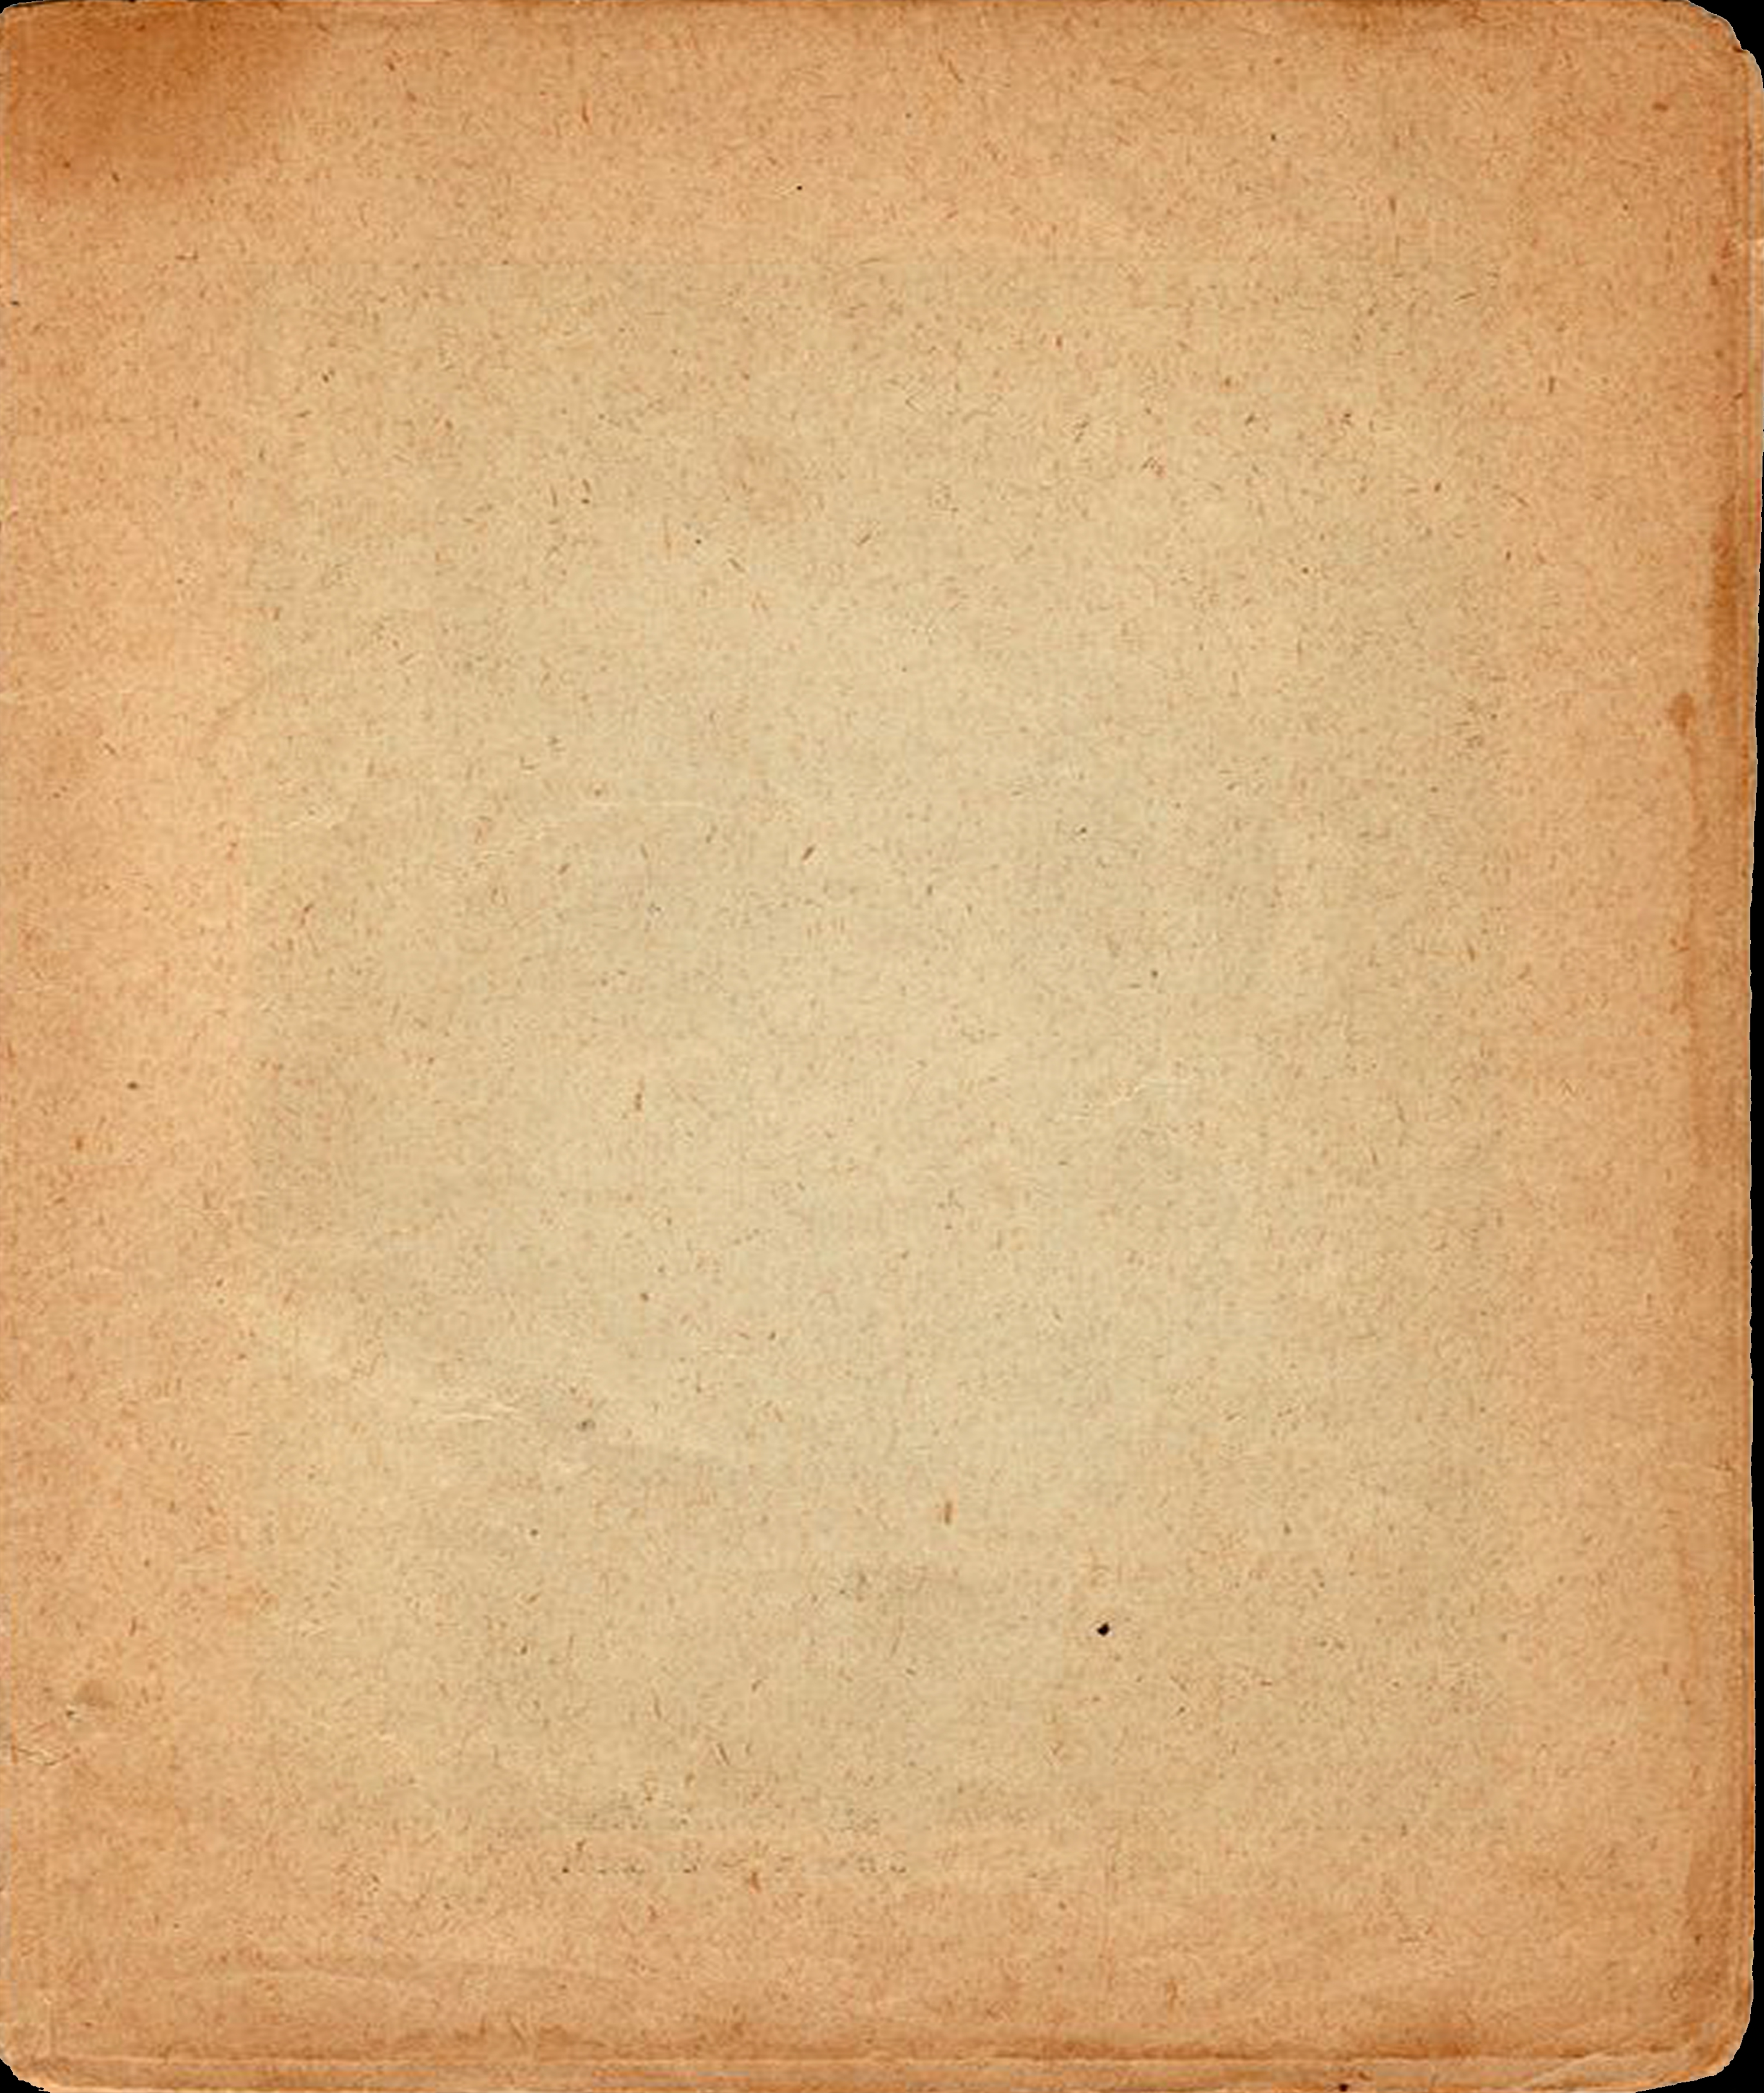

Whenever Order visits these worlds, a feminine image is used in majority. When we questioned Order, an image of femininity is easy to subdue creatures with emotions.

Guided by the one and only King Asmodeus of Lascivia.

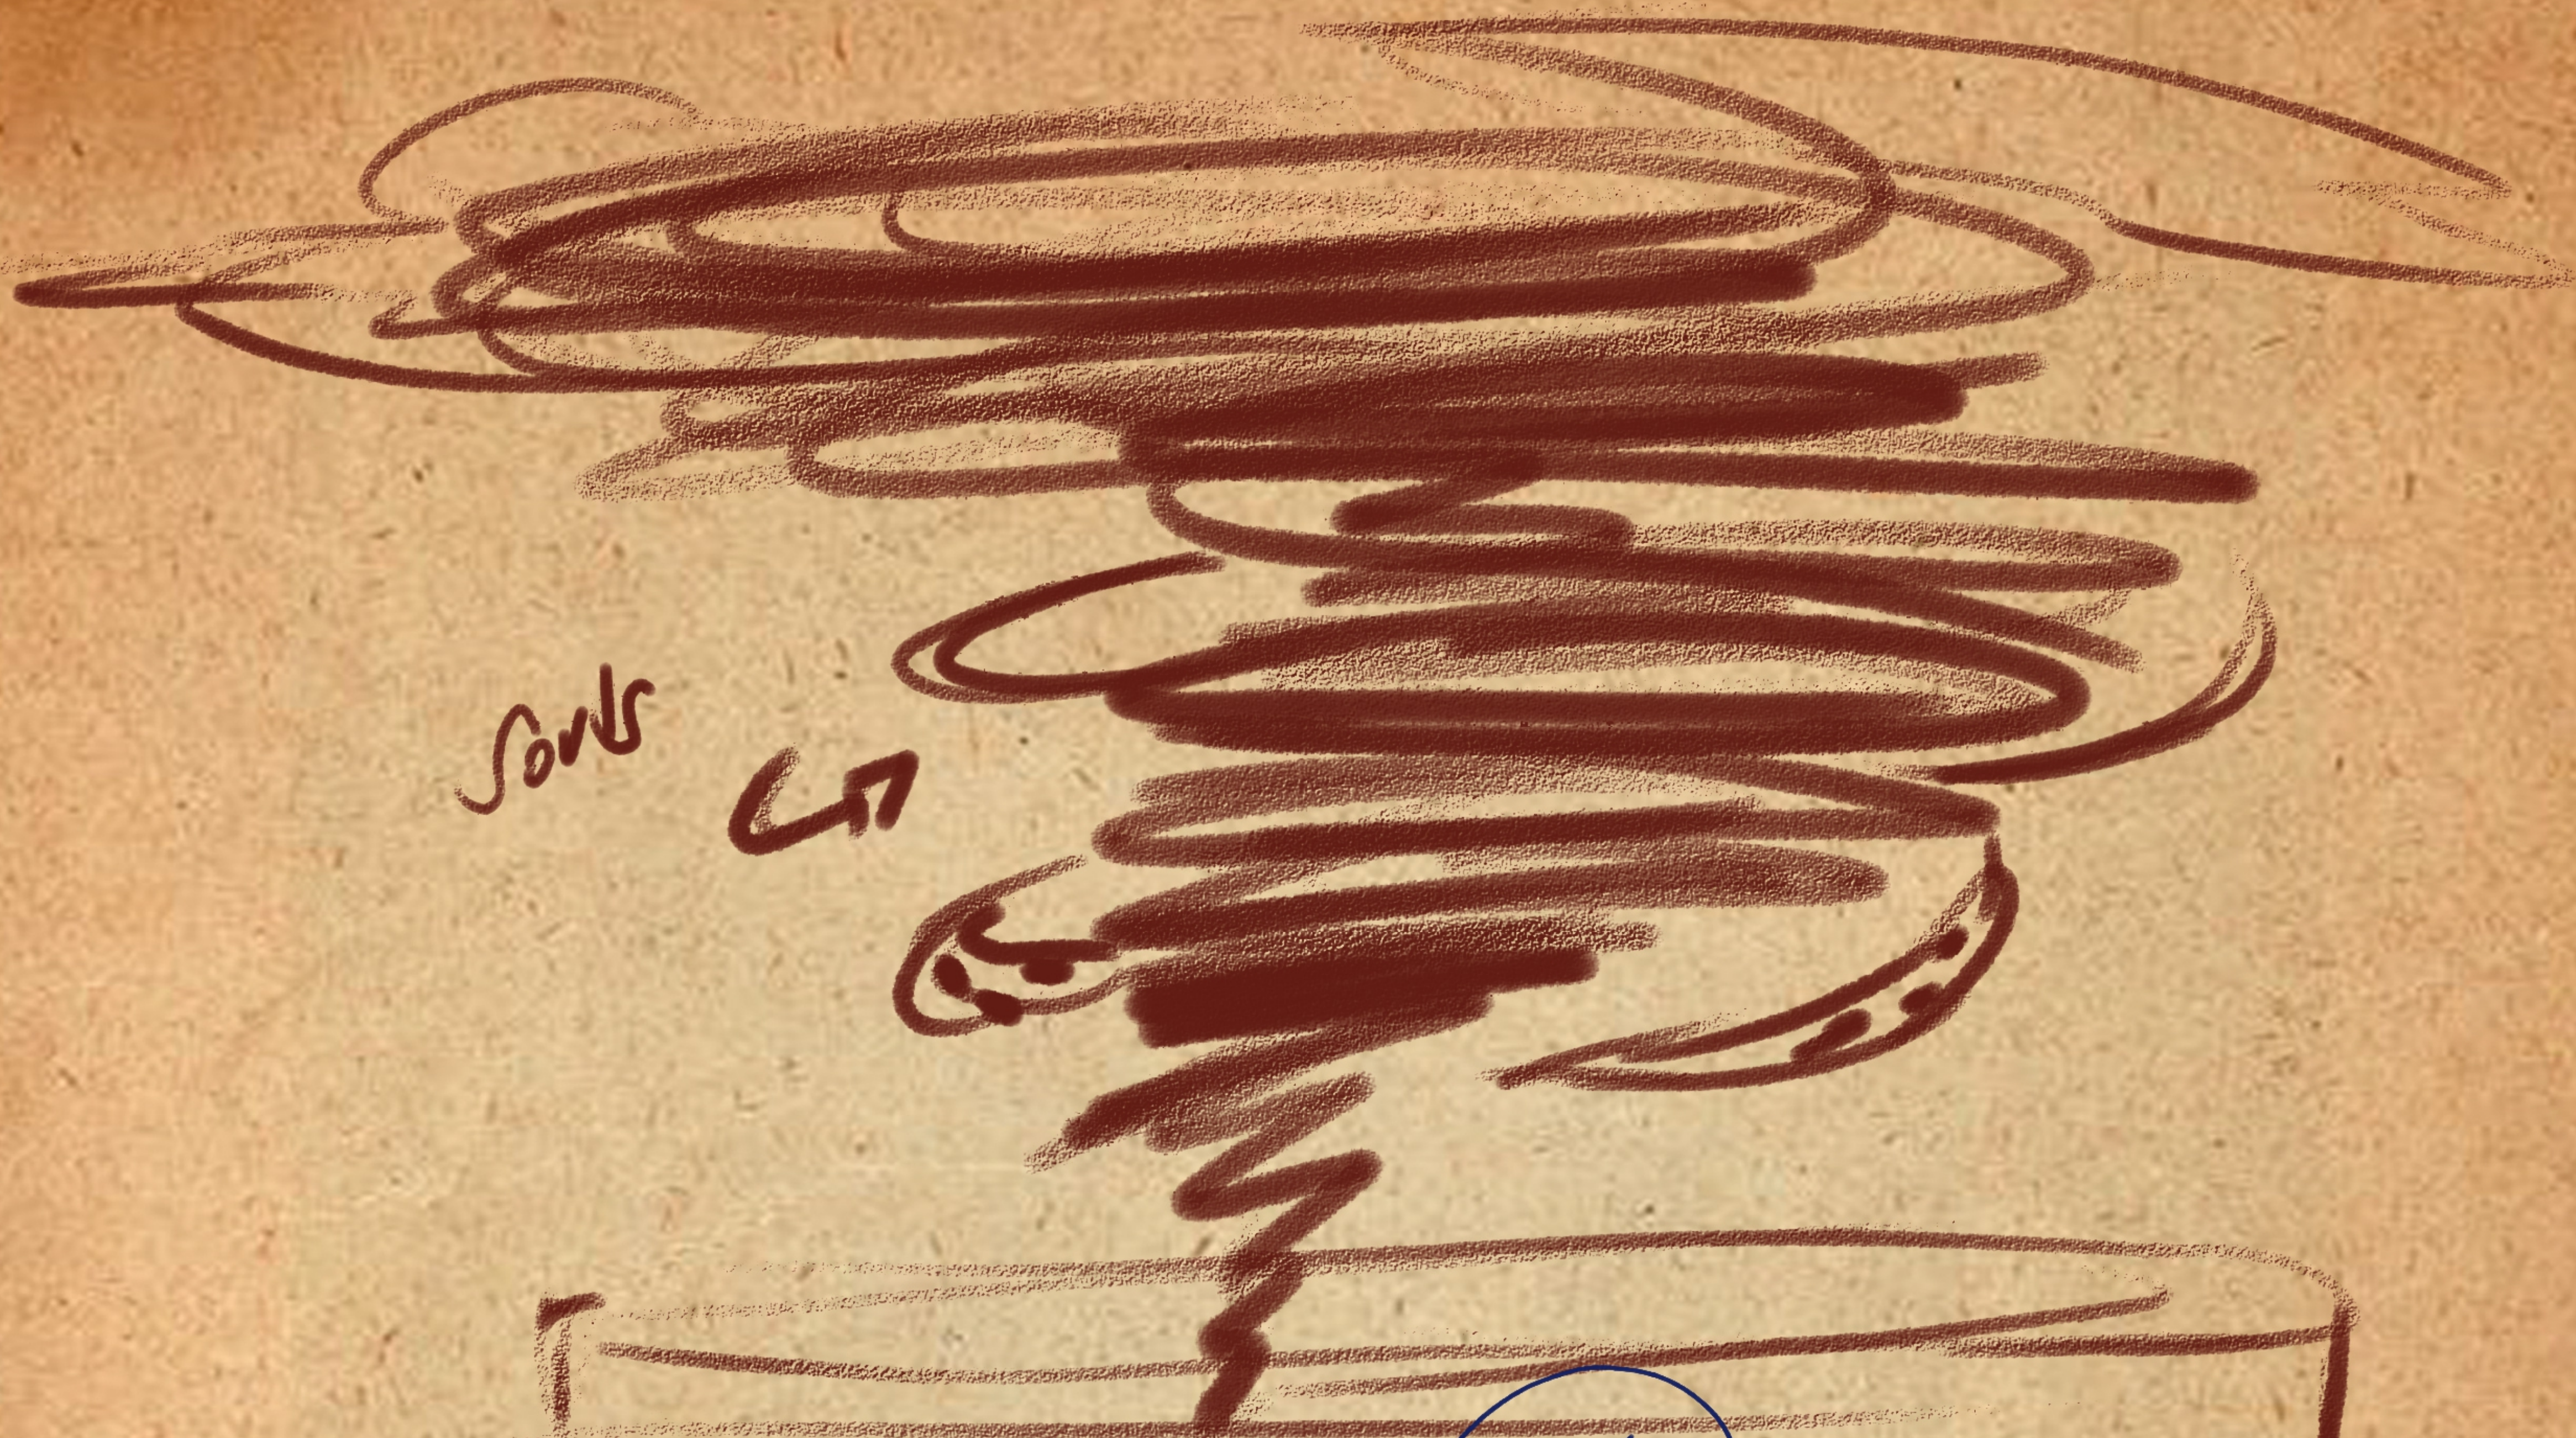

When travelling to Lascivia, don't forget to wear weights of silver. The torpedo of souls of the unfortunate will lift you with them once they sense a lustrous heart.
